Dear Mt. Paran Church Family:

Summer is quickly approaching and the excitement of warm weather, outdoor activities, picnics and barbecues are upon us. I write this letter with great excitement and concern for the status of Mt. Paran.

I am excited about the growth of our church family and the enthusiasm for worship and praise that exist throughout our fellowship. However, I am concerned about the sporadic attendance of some of our members at our Mid Week and Sunday worship services.

God has asked me to make an appeal to His faithful followers to commit to a sincere effort to worship the Lord at all services. Starting the first Sunday in June let's faithfully attend all worship services for the next three months. I know that sometimes we have to miss church but our attendance at Mt. Paran Baptist Church should remain a priority in our life. Remember, when you are not in attendance you are missed by all.

Please be prayerful about your attendance and worship and I will see each of you the first Sunday in June.

Prayerfully Yours,

T.D. Robinson
